AASHTOWare Products and Services Request Form

Member Department/Agency: _____

This AASHTO member department/agency wishes to license AASHTOWare products for the period of July 1, 2010 through June 30, 2011, and/or participate in the AASHTO software development projects as indicated below. It is understood that the return of a signed form will be regarded by AASHTO as an obligation on the part of this member department/agency.

Purchase Order

Purchase Order Number: _____

Please indicate the purchase order number that may be applicable directly on the enclosed software request form if a purchase order is required to make payment of the AASHTO invoice and/or include a purchase order with your return of the enclosed forms. This will permit us to reference the appropriate number directly on the invoice that will be mailed along with the Supplemental License Agreement documents, which should help you and AASHTO reduce paperwork and be more efficient.

Current AASHTOWare Products and Services

Please check the appropriate boxes and provide quantity [▶], order/service start date [☐] and number of users [Ⓜ] where applicable, to indicate which software products and/or services your agency wishes to order. Also, please complete the Agency Authorization on page 5. All license fees are annual unless otherwise specified.

DARWin – Pavement Design

Due to the unique offering of a one-time license, please contact Angel Williams at 202-624-5808 or angelw@ashto.org if you have not previously licensed DARWin, or would like to license additional copies of the DARWin software product.

Agency Authorization

I authorize this member department or agency to participate in the above designated AASHTO software products/services, and agree to commit the required funds for payment when invoiced by AASHTO in accordance with published Policies, Guidelines and Procedures for AASHTO Cooperative Computer Software Development activities.

It is further understood that unless this commitment form, the appropriate agreement forms, and payment of the associated fees when invoiced, are all completed when presented and returned in a timely manner, AASHTO licensing provisions require that the use of previously licensed AASHTO software products by this member department or agency be terminated, and the related licensed materials be returned to AASHTO.
